

# Randy Hanvelt

Supervisor District #2

Chairman of the Board of Supervisors

County of Tuolumne

---

## Professional Organizations

Randy worked in various assignments at General Electric Company in San Jose, CA and the Company sent him to UC Berkeley full time in a graduate program in Nuclear Engineering. Randy rose to an executive position in 1984. He held a Professional Engineering License in Nuclear Engineering until after he retired in 2001. Prior to retirement, Randy was a held a global executive position in the Power Generation Sector of GE, including being a member of the Board of Directors of GENUSA, a Spanish Joint Venture. He traveled extensively, mostly in the Northern Hemisphere with considerable experience in North America, Europe and Asia.

## Professional Experience

Even before moving to Tuolumne County in 2005, people were asking him to run for a supervisor position. He successfully won election in the 2010 primary and took office in January 2011. Since taking office, he has been active as both the County alternate and delegate to the California State Association of Counties (“CSAC”), serving on the Agriculture and Natural Resources Committee. Randy has also served as an advisor to the CSAC institute and earned a Credential as supervisor. Randy has also served as the County alternate and now delegate to the Regional Counties Representatives of California (“RCRC”) organization. He serves on the boards of Amador-Tuolumne Community Action Agency (“ATCAA”), Motherlode Job Training, Central Sierra Child Support Services, the TCBOS Housing Policy Committee and many more. In his position as Chairman, Randy also serves as the Emergency Services Director. He was a leader in the County response to the recent Rim Fire and now the recovery efforts.

Randy is a dedicated public servant who believes that Government owes its constituents the very best possible and should add value to their lives.

## Education

He grew up on the beaches of Southern California where he graduated from Newport Harbor High School as a National Merit Scholar. Randy earned his undergraduate degree in engineering with Department Honors from Harvey Mudd College. Shortly thereafter he married Gloria Jean Tonne, the “love of his life” and took a position with the General Electric Company in San Jose, CA.
